Dear Friends,

The American Cancer Society estimates 1.9 million mothers, fathers, sisters, brothers, grandparents, and friends will hear the words “you have cancer” in 2021 and face grueling treatment to save their life. As this number grows year after year, Tenaciously Teal continues our mission to be a source of love and strength for all cancer fighters; men, women and children.

Since 2014 T. Teal has distributed more than 30,000 care packs here in Oklahoma and mailed almost 9,000 care packs across the nation! Every day we receive messages from fighters such as: “The care pack made me smile when I thought I wouldn’t be able to smile again” and “The care pack was the first gift I had received in almost 10 years, and it made me remember what it means to feel loved”. They remind us the power there is in feeling seen and knowing someone cares.

T. Teal has also stepped in as an organization to help meet the need created through the dissolution of other nonprofit programs that provided travel and lodging assistance to cancer fighters. It is only through our generous donors that we have been able to distribute \$140,000 in financial assistance to cancer fighters since 2014; disbursing \$45,000 in 2020 alone. Our goal is to continue being able to answer the call of social work departments to provide fighters with a refrigerator to access cold Ensure, rent assistance to avoid eviction, groceries to combat food insecurity, and a hospital bed for end of life care. As one social worker sated, “Tenaciously Teal is the only source of financial support for our patients who desperately need help”.

Since we were unable to host a 2020 fundraiser this year’s fundraiser is more important than ever. Please consider supporting our mission by becoming a sponsor for Care Packs & Cocktails 2021, which will be held on August 6th at The Criterion in Oklahoma City. Together we will continue to stand in support of cancer fighters and their families!

Sincerely,

Tarah Warren
